

Intern Daily Task Sheet

Resource #19 | Firms & Chambers — Templates

Print one sheet per day or use digitally

For Firms: Print this sheet and hand one to the intern at the start of each day, OR share it digitally for filling. The supervisor should initial the bottom-right box at the end of the day. File completed sheets as a record of the intern's work.

For Interns: Fill in each task as it is assigned. Note the time, the legal area / client matter (avoid using client names if confidential — use a reference number instead), and mark its status. Fill the 'Key Learning' box before you leave for the day.

Column	What to Write
Time	Hour the task was assigned or when you started working on it (e.g., 10:30 AM)
Task / Work Assigned	Describe the task briefly: 'Draft memo on Section 34 Arbitration Act', 'Research precedents for plea bargaining', 'Proofread client agreement'
Legal Area / Matter	Practice area (e.g., Arbitration, Corporate, IPR) and a brief matter reference if applicable. Do not use client names if the matter is sensitive.
Status	Tick 'Done' if completed by end of day; 'Pending' if it carries over to the next day.
