

LinkedIn Profile Checklist

Resource #7 | Students — Templates

For Indian Law Students | Non-NLU & All Tiers

How to use this checklist: Go through each item and tick the checkbox. Items marked **MUST** are non-negotiable — do not send a cold email before these are done. Items marked **SHOULD** significantly improve your profile. **OPTIONAL** items are for when you want to stand out further. Complete all **MUST** items first, then work through the rest.

SECTION 1: THE BASICS

☐	Professional profile photo <i>Head-and-shoulders, plain background, business/formal attire. No selfies, group photos, or casual shots.</i>	MUST
☐	Full name exactly as it appears on your college ID <i>Do not use nicknames or initials only. Partners and HR staff will verify your name.</i>	MUST
☐	Current position / headline set correctly <i>Example: "Law Student B.A. LL.B. (Hons.) [Your Law School] Interested in Corporate & Dispute Resolution"</i>	MUST
☐	Location set to your city and country	MUST

SECTION 2: EDUCATION

☐	Law school listed under Education with correct dates <i>Include the programme name (B.A. LL.B. / LL.B. / BBA LL.B.), start year, and expected graduation year.</i>	MUST
☐	Graduation year / expected graduation year is accurate	MUST
☐	Class rank or CGPA included (if it strengthens your profile) <i>Only add if it is genuinely good — omitting it is fine, but do not misrepresent.</i>	OPTIONAL
☐	Undergraduate / pre-law degree listed (if applicable)	SHOULD

SECTION 3: INTERNSHIP & WORK EXPERIENCE

☐	All internships listed under Experience <i>Include firm/chamber name, city, practice area, and month-year dates. Use the title 'Legal Intern'.</i>	MUST
☐	Each internship has a 2–4 line description <i>Focus on what you actually did: 'Drafted pleadings for NCLT matters', 'Researched SEBI regulations on insider trading'. Avoid vague lines like 'Assisted with legal work'.</i>	MUST
☐	No unexplained gaps between internship dates <i>If there was a gap, it is fine — just do not leave years of your profile blank with no entries.</i>	SHOULD
☐	Moot court wins or participation listed under Experience or Activities <i>Add as a separate entry under 'Extracurricular Activities' or 'Competitions'.</i>	SHOULD

SECTION 4: SKILLS & ENDORSEMENTS

☐	At least 5 relevant skills listed <i>Examples: Legal Research, Contract Drafting, Case Analysis, Litigation, Corporate Law, Arbitration, SEBI Regulations.</i>	MUST
☐	Skills match your actual experience <i>Do not list skills in areas where you have done no work — it is obvious to a practitioner.</i>	MUST
☐	Skills endorsed by at least 2–3 connections (professors, supervisors) <i>Request endorsements from people who have actually seen you work.</i>	OPTIONAL

SECTION 5: ABOUT SECTION (SUMMARY)

☐	About section is filled and is 3–5 sentences long <i>Cover: who you are, what you are studying, what areas you are focused on, what you are looking for. Write in first person.</i>	SHOULD
☐	No grammatical errors in the About section <i>Read it out loud. One typo in the summary is enough for a partner to move on.</i>	MUST
☐	About section includes at least one specific mention of a legal area or skill <i>Generic summaries ('passionate about law, eager to learn') say nothing and are ignored.</i>	SHOULD

SECTION 6: PUBLICATIONS, PROJECTS & ACTIVITIES

SECTION 7: CONNECTIONS & ACTIVITY

☐	Connected with professors, seniors, and past supervisors <i>Aim for at least 100 meaningful connections — not random adds.</i>	SHOULD
☐	Follow at least 10 Indian law firms, courts, and legal publications on LinkedIn <i>This personalises your feed and helps you stay informed about the profession.</i>	OPTIONAL
☐	Custom LinkedIn URL set (e.g., linkedin.com/in/yourname) <i>Go to Edit Profile → Edit public profile & URL. Looks more professional in a CV.</i>	MUST
☐	Profile visibility set to public <i>If your profile is private, firms cannot find you when they search.</i>	MUST
